## Principal's Message.....

**Namaskar !**

This will be a great time to better engage our school community, improve where we should, and excel far beyond expectation. Excellence is upon us and we are ripe with the spirit of *reclamation* for our school -- our students, our parents, and our community. Troy has been rebuilt; we are experienced in the mission; let's move forward. . . First know that we not only provide all the information, rules, or regulations but all parents need to know these and follow. You will receive additional documents through-out the school year. **We would like to share few activities/achievements with you:-**

1. The **Havan** Ceremony was conducted in the school on 21<sup>st</sup> February 2017 to seek grace and choicest blessings of God for the candidates appearing for Class XII board examinations, in particular, all Kipsians for prosperous session. The **Havan** was performed religiously under the divine fervor and spirituality. Prasad was distributed to all. The sacred ceremony was equally important for all teachers - student's community, who determined for a good session ahead.
2. On "**Shivaratri**" festival, the students of the school were taken to Shiva temple Dharampur to solemn their devotion and faith. The boarders bathed at sunrise and marked their presence to Lord Shiva. They offered prayers to the sun, Vishnu and Shiva.

### **Few guide-lines for parents:-**

- A. Restrict your unscheduled visits or telephone calls meant for interaction with your wards which not only hinder our tuning process but also shatter our discipline.
- B. Don't provide precious articles / any electronic appliances or money to your ward. The violation shall lead to confiscation.
- C. Be punctual about payments of dues as per schedule and commitment.
- D. Only authorized visitors are permitted to interact/ meet on authorized days of visits.
- E. We suggest to parents to provide the mail i.d.(if created) to school because this shall establish prompt communications.
- F. If any so change in address/ phone no, should be immediately communicated to school.
- G. It is to remind to those parents who at the time of admission failed to deposit requisite documents, should be submitted earliest.
